

# **White Square International Trade Business Hub**

# About us

- White Square International Trade Business Hub is a leading provider of trade consulting, mediation, training, performance optimization, and Importer of Record (IOR) & Exporter of Record (EOR) advisory services. We support businesses in navigating complex international trade landscapes, ensuring compliance, efficiency, and success.
- Our services are sold through our website using two main business models:
  - Membership-based services.
  - Private consultancy services upon client request.

# Our Mission

- To empower businesses with world-class trade solutions, ensuring seamless international operations, compliance, and strategic growth.

# Our Vision

- To be the most trusted trade business hub, connecting markets and fostering global trade excellence..

# Our Services

## 01- Trade Consulting

We provide expert guidance to businesses on trade regulations, market entry strategies, and operational efficiencies to enhance international trade success.

## 3. Trade Training

We offer specialized training programs designed to equip businesses with the knowledge and skills required for global trade compliance, logistics, and performance optimization.

## 2- Trade Mediation

Our mediation services help resolve disputes, facilitate smooth negotiations, and ensure fair trade practices between global businesses

## 4. Trade Performance

We analyze and optimize supply chains, trade operations, and performance metrics to maximize efficiency and profitability.

## 5. IOR & EOR Advisory

We ensure seamless import and export operations by handling compliance, documentation, and risk mitigation for businesses trading across international borders.

## 6. Advisory Support

We provide expert advisory services, including:

- Market Access Studies – Research and analysis to help businesses enter new international markets.
- Export Promotion – Strategies to enhance the visibility and competitiveness of export products.
- Export Training – Programs designed to equip exporters with essential skills and knowledge.
- Exporters Qualification Services – Support for businesses in meeting export standards and certifications.

## 7. Business Matching Activities

Facilitating meetings between businesses across borders.

Industry-specific networking.

Matchmaking reports & follow-ups.

# Trade Compliance & Legislation

- At White Square International Trade Business Hub, we leverage local, regional, and global legislation to support trade compliance challenges. We assess the practical application of these laws to ensure our clients achieve compliance and operational effectiveness.

# Concierge Services for Businessmen
